EDUCATION

B-Tech in Computer Science

Indian Institute Of Information Technology   **8.65 CGPA**

Aug 2019 - May 2023   📍 Dharwad,Karnataka

EXPERIENCE

Increff

SDE-1 Backend   Jun 2023 - Present

- **Improved statistical algorithms** in the Merchandising Software to enhance its performance.
- Utilized **T-SQL, Azure Data Lake, Azure Functions, Azure Spark Notebooks, and Azure Pipelines** to optimize the architecture of the Merchandising Software.
- Successfully **integrated Salesforce** for product management and sales purposes.
- Developed numerous **Python scripts** with support from various **Python libraries** to **automate tasks efficiently**.

Increff

SDE Intern (Backend)   Jan 2023 - May 2023

- Developed a comprehensive Point of Sale (POS) full stack application utilizing **Spring, Spring Security, Hibernate, MySQL, HTML/CSS, JavaScript, JQuery, and Ajax.**
- Utilized **Azure Functions** and **Azure Data Lake** to migrate Java-based BI reports to Python BI reports.
- Enhanced the **logging mechanism** of the Merchandising Product to ensure **efficient tracking and monitoring**.

PROJECTS

CAMP+

Tech-Stack :- Flutter + AWS

- Created a comprehensive application to enrich student's campus experience by offering various features like **mess booking, food delivery, E-library, notices, community, and housekeeping services**.
- Headed the Backend team in developing a **Serverless Architecture** using **AWS services, including S3, DynamoDB, API Gateway, Lambda, and SNS.**
- Secured a grant of **Rs 2,50,000 from new-gen IDC (IIIT Allahabad)** to support the project.
- Successfully launched the app on campus, gaining **200 active users** within a week.

SKILLS

Dart   HTML   JavaScript   CSS   JQuery   Ajax

Python   Java   C++   SQL   Azure   AWS   REST   API   Algorithms   Serverless Architecture   Machine Learning

DynamoDB   MySQL   MSSQL   T-SQL   Azure Data Lake   MongoDB   AWS S3

Flutter   Spring   Tomcat   Git   Postman   Django   Docker   Gunicorn   Salesforce API

ACHIEVEMENTS

- Solved **250+** problems on **Leetcode**
- Solved **50+** SQL problems on **Leetcode**
- **5 Star** Coder on **CodeChef**
- **Top 1 percentile** in CodeChef Rated Contest
- **Top 2** in my college on **Codeforces**
- **Competitive Programming lead** in Return_0(IIIT Dharwad)
